This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. REPORT

OF THE

AUDITOR GENERAL ON THE FINANCES.

Auditor General's Department,
Harrisburg, November 30, 1906.

Honorable Samuel W. Pennypacker,
Governor of the Commonwealth of Pennsylvania:

Sir: In compliance with the provisions of section 26, act of May 1, 1876, entitled "An act to carry out the provisions of section 12, artic'e 3, of the Constitution, in relation to the public printing and binding, and the supply of paper thereof," I have the honor to transmit herewith the annual report of this Department on the finances of the Commonwealth, for the fiscal year ending the 30th day of November, A. D. 1906, arranged in the following order, to wit:

I. Statement showing the receipts at the Treasury and the sources from which they were derived.

II. Statement showing the payments at the Treasury, and the purposes for which they were made.

III. Statement showing the monthly receipts at the Treasury, their sources and objects.

IV. Statement showing the monthly payments at the State Treasury, their sources and objects.

V. Statement showing the assessment of State Tax on Personal property in the counties of the Commonwealth.

VI. Statement showing the several Public Loans of the Commonwealth, when authorized, for what purpose, amount of loan, rate of interest, when reimbursable, dates of maturity, amount outstanding and when the interest ceased.

VII. Statement relative to the oustanding certificates issued in payment of interest on the Funded Debt due in 1842, 1843 and 1844.

Digitized by Google

VIII. Statement relative to the outstanding issues and re-issues of relief notes made by sundry banks, in pursuance of the act of Assembly of May 4, 1841, and April 10, 1849.

IX. Statement relative to the outstanding certificates issued to domestic creditors.

X. Statement of the amount of stock held by the Commonwealth in divers incorporated companies.

XI. Statement showing the funded and unfunded debt of the Commonwealth on the first day of December, 1906.

XII. Statement showing receipts from delinquent corporations for the year ending November 30, 1906.

Respectfully submitted,

W. P. SNYDER,
Auditor General.

STATEMENT.

Statement showing the valuation of Personal Property subject to taxation for State purposes for the years 1904, 1905 and 1906; the tax at the rate of 4 mills for the year 1906; the amount of increase or decrease, for the year 1906 as compared with the year 1905, additional personal property secured for the year 1906 together with three-fourths of the net amount returnable to the several Counties of the Commonwealth of Pennsylvania.

All mortgages and moneys owing by solvent debtors, whether by promissory note, or penal or single bill, bond or judgment, except notes discounted or negotiated by any bank or banking institution, savings institutions or trust company.
All articles of agreement and accounts bearing interest.
All public loans, including school bonds, except loans of the Commonwealth of Pennsylvania, and the United States that are exempt from taxation, and loans of counties, cities and boroughs of this Commonwealth, the tax upon which is collected by the treasurers of the respective counties, cities and boroughs, and paid directly to the State Treasurer.
All loans issued by or shares of stock in any bank, corporation, association, company or limited partnership created or organized under the laws of this Commonwealth, or of the United States, or of any other State or government, including car-trust securities and loans secured by bonds or any other form of certificate or evidence of indebtedness, whether the interest be included in the principal of the obligation or payable by the terms thereof (except shares of stock in any corporation or limited partnership liable to the capital stock tax imposed by the fifth section of the act of June 8, 1891 (P. L. page 238), or relieved from the payment of tax on capital stock by said section, and except also shares of stock in incorporated state or national banks located within this Commonwealth, and the loans of corporations of this Commonwealth, or of corporations that operate and do business in this Commonwealth, the tax upon which is collected through the Auditor General's Department directly.)
All moneys loaned or invested in other states, territories, District of Columbia or foreign countries, whether the same be loaned or invested in mortgages or judgments on farms or other property, or in loans to individuals or of corporations, firms or partnerships.
All other moneyed capital in the hands of individual citizens.
All stages, omnibuses, hacks, cabs and other vehicles, owned, used or possessed for transporting passengers for hire, except steam and street passenger railway cars.
All annuities of a yearly value of over two hundred dollars (except those granted by the United States).
All personal property held or possessed as active trustee, agent, attorney in fact or otherwise, for the use, benefit or advantage of other person or persons, corporation or corporations, co-partnership or co-partnerships, unincorporated association or associations, company or companies, joint-stock association or associations, limited partnership or partnerships, bank or banks.
